BOARDING AND DAY SCHOOL FOR YOUNG LADIES, ALEXANDRIA.

M. RS. MARY L. ELIASON will open a boarding and day school, at her residence, on the corner of Prince and St. Asaph streets, on Monday, the Sth of September next, for the instruction of a limited number of young ladies in the several branches of a thorough English and French education.

limited number of young ladies in the accusation.

The English department will be conducted by a lady who was formerly a teacher in the Albany Female Academy, and has been for several years teaching in the family of Mrs. Eliason.

Great pains will be taken to teach well the principles of science, the application of which will require diligent study on the part of the pupil; and in order to accomplish fully this important object, teachers of the highest qualifications will be provided for each department. The French teacher will reside in the family, and the pupils will be taught to speak accurately, as well as to read and write the French language.

To those young ladies whose parents desire it, a course of instruction will be given in Latin, as the foundation of modern languages.

The government will be parental, and conducted on Christian principles. Alexandria is admirably located for an institution of this kind, being retired and healthy, combining the advantages of town and country. Members of Congress who have daughters to educate, will find this institution convenient for that purpose, as steamboats ply hourly between Alexandria and Washington city.

The scholastic year will be divided into two sessions, of twenty-two weeks each, commencing on the 8th of September, and the 8th of February.
